Programm | Programme

Gemeinsame Jahrestagung

- Schweizerische Gesellschaft für Intensivmedizin | SGI
- Schweizerische Gesellschaft für Infektiologie | SGInf
- Schweizerische Gesellschaft für Spitalhygiene | SGSH
- Schweizerische Gesellschaft für Tropenmedizin und Parasitologie | SGTP
- Schweizerische Fachgesellschaft für Tropen- und Reisemedizin FMH | SGTRM

Réunion annuelle commune

- Société Suisse de Médecine Intensive | SSMI
- Société Suisse d'Infectiologie | SSInf
- Société Suisse d'Hygiène Hospitalière | SSHH
- Société Suisse de Médecine Tropicale et Parasitologie | SSMTTP
- Société Suisse de Médecine Tropicale et de Médecine des Voyages FMH | SSMTV

18.-20. September 2019 | 18-20 septembre 2019

SwissTech Convention Center, Lausanne

sgi-sginf2019.congress-imk.ch

10:00-11:30

Symposium

Chairs: **N.N.**

10:00-10:30

Nicht-ventilatorassoziierte Pneumonien

Aline Wolfensberger, Zürich

10:30-11:00

Bactéries multirésistantes en Suisse – quoi de neuf?

Stephan Harbarth, Genève

11:00-11:30

Kleine Kinder-grosse Anforderungen

Organisiert durch **Yvonne Strässle, Zürich**

11:30-12:00

Kaffeepause | Pause café

12:00-13:15

Implementation/Innovation

Chairs: **N.N.**

12:00-13:15

Abstracts

13:15-14:15

Lunch

16:15-17:45

Symposium

Chairs: **N.N.**

16:15-16:45

Stratégie NOSO: état de la mise en œuvre, résultats et perspectives

Virginie Masserey, Bern

16:45-17:15

Swissnoso: Update Projekte und neuer Schwerpunkt Infektionsprävention des Facharztes Infektiologie

Rami Sommerstein, Bern | Andreas Widmer, Zürich

17:25-17:45

Chlorhexidine: Disinfection or Disillusion?

Disillusion – Benedikt Huttner, Genève | Disinfection – Stefan Kuster, Zürich

18:00-19:00

Generalversammlung | Assemblée générale

SGSH | SSHH

14:15-15:45

Mythen und Fakten rund um die Hygiene auf der Intensivstation - Lassen Sie sich überraschen!

Chairs: Christian Emsden, Basel | Marie-Theres Meier, Zürich

14:15-15:35

Interaktives Programm | Programme interactif

Martin R. Fröhlich, Zürich

Cécile Sordet, Nyon

Esther Wicki, Zürich

Suzanne Woodtli, Basel

15:35-15:45

Diskussion | Discussion

10:00-10:40

WS
01

Back to the roots! Der Stellenwert der klinischen Beurteilung bei Intensivpatienten

Chair: Christian Emsden, Basel

Patricia Fodor, Zürich | Sandra Haubner, Zürich

10:50-11:30

WS
02

Back to the roots! Der Stellenwert der klinischen Beurteilung bei Intensivpatienten

Chair: Christian Emsden, Basel

Patricia Fodor, Zürich | Sandra Haubner, Zürich

11:30-12:00

Kaffeepause | Pause café

12:00-13:15

WS
03

Den Anforderungen des Intensivpflege-Alltags standhalten

Chair: Christine Goppelsröder, Bern

Christian Emsden, Basel | Isabel Pfundstein, Basel

13:15-14:15

Lunch

12:00-13:15

WS
04

Back to the Roots! La valeur de l'évaluation hémodynamique clinique du patient en soins intensifs

Chair: Sigrid Duperrex, Lausanne

Anne-Marie Bommottet-Ketzinger, Lausanne | Marco Rusca, Lausanne

16:15-17:15

WS
05

Diplomarbeiten Pflege | Mémoire Soins

Chairs: Sigrid Duperrex, Lausanne | Franziska von Arz, Zürich

FR

16:15-16:27

5x (8+4min) Abstracts

16:27-16:39

16:39-16:51

16:51-17:03

17:03-17:15

16:15-17:45

Global Health

Chairs: NJan Fehr, Zürich | Claude Scheidegger, Basel

Title tbd
Daniel Paris

Abstracts

SGI | SSMI Educational Course: Mechanical Ventilation

Mittwoch | Mercredi, 18.09.2019

- 10:00-11:15** **Educational Course: Mechanical Ventilation - Plenary Session Part 1**
Chairs: Anna Bauer-Dörries, Lausanne | Mark Marston, Basel
- 10:00-10:15 **Welcome**
Anna Bauer-Dörries, Lausanne | Mark Marston, Basel
- 10:15-10:45 **Mechanical Ventilation - Beyond Basics**
David Berger, Bern
- 10:45-11:15 **Management of Respiratory Failure in Obstructive Pulmonary Disease and ARDS**
Lise Piquilloud, Lausanne
- 11:15-11:45 Coffee Break
- 11:45-12:45** **Educational Course: Mechanical Ventilation - Plenary Session Part 2**
Chairs: Anna Bauer-Dörries, Lausanne | Mark Marston, Basel
- 11:45-12:15 **Heart-Lung Interaction During Mechanical Ventilation**
Xavier Monnet, Paris; FR
- 12:15-12:45 **High-Flow Oxygen – Indications and Limits**
Marius Huber, Lausanne
- 12:45-14:00 Lunch
- 14:00-17:00** **WS** **Educational Course: Mechanical Ventilation - Workshops**
Chairs: Sara Cereghetti, Geneva | **Guillaume Maître, Lausanne oder Vivianne Amiet, Lausanne (tbc)**
- Mechanical Ventilation in Obstructive Respiratory Failure and ARDS (NIV + Invasive) (3 Wiederholung)**
Flore Büla, Lausanne | Julien Simons, Lausanne
- Mechanical Non Invasive Ventilation Trouble Shooting (Simulation) (3 Wiederholung)**
Davy Cabrio, Lausanne | Aurélie Fasoglio, Lausanne
- Mechanical Ventilation and High Flow in Paediatrics (3 Wiederholung)**
Thomas Ferry, Lausanne | Marion Gur, Lausanne

SGI | SSMI Educational Course: Sepsis

Mittwoch | Mercredi, 18.09.2019

- 10:00-11:15** **Educational Course: Sepsis - Plenary Session Part 1**
Chair: **Rea Andermatt, Zurich | Guillaume Maître, Lausanne (tbc)**
- 10:00-10:15 **Welcome**
Rea Andermatt, Zurich | Guillaume Maître, Lausanne (tbc)
- 10:15-10:45 **Immune system in Sepsis**
N.N. / Prof. Pugin?
- 10:45-11:15 **Volume-Management and Catecholamines in Sepsis**
Xavier Monnet, Paris; FR
- 11:15-11:45 Kaffeepause | Pause café
- 11:45-12:45** **Educational Course: Sepsis - Plenary Session Part 2**
Chair: **Rea Andermatt, Zurich | Guillaume Maître, Lausanne (tbc)**
- 11:45-12:15 **The Septic Heart**
Paul Marik, Norfolk; USA
- 12:15-12:45 **Sepsis in the Immunocompromised Host**
Nicolas Müller, Zurich
- 12:45-14:00 Lunch
- 14:00-17:00** **WS** **Educational Course: Sepsis - Workshops**
Chair: **N.N.**
- Antibiotics in Sepsis**
Rea Andermatt, Zurich | Marisa Kälin, Zurich
- Management of Septic Shock**
Xavier Monnet, Paris; FR
- Where is the Focus? Differentialdiagnosis Based on Pictures**
Florian Angst, Zurich (tbc)

ICU Management Seminar

Mittwoch | Mercredi, 18.09.2019

10:00-10:10	Welcome Thierry Fumeaux, Nyon Franziska von Arx-Strässler, Zurich
10:10-10:15	Introduction to the Seminar Hans Ulrich Rothen, Bern
10:15-12:20	Communication and Handover: Essential but Error-Prone Chairs: Jean-Luc Pagani, Lausanne Evelyne Weidner, Bern
10:15-10:40	Information Loss During Handover – the Facts Johannes Wacker, Zurich
10:40-11:05	Recommendations and Guidelines for Handover Nikolai Hulde, Bad Oeynhausen; DE
11:05-11:30	Implementing the SBAR Concepts in Clinical Practice Oliver Pantet, Lausanne
11:30-11:55	Handover, Communication and Beyond: The TeamSTEPPS-Approach Joëlle Hausser, Nyon
11:55-12:20	Improving Handover by Interprofessional and Interdisciplinary Training Thomas Sauter, Bern
12:20-13:20	Lunch
13:20-15:00	Checklists: More Than Ticking a Box! Chairs: Yohanna Guyon, Lausanne Hans-Ulrich Rothen, Bern
13:20-13:45	The Role of Checklists in Aviation Marc Studer or Gunnar Jansen
13:45-14:10	An Example from Surgery: Beyond the Safe Surgery Checklist Lorin M. Benneker, Bern
14:10-14:35	An Example from the ICU: A Checklist to Increase Safety of Intra-Hospital Transport of Critically Ill Patients Anja Brunsveld, Leiden; NL
14:35-15:00	Implementing a Checklist in Your Hospital: Opportunities and Threats Pierre Chopard, Geneva
15:00-15:30	Kaffeepause Pause café

ICU Management Seminar

Mittwoch | Mercredi, 18.09.2019

15:30-17:30	Continuous Professional Development for Physicians and Nurses: Current Status and Future Challenges Chairs: Roger Lussmann, Zurich Marie-Noëlle von Allmen Widmer
15:30-15:50	Continuous Professional Development: Essential in High Reliability Organizations! Friedrich Meynen, ENSI Brugg
15:50-16:10	Physicians' Continuous Professional Development: Present and Future Raphael Stolz, SIWF Bern
16:10-16:35	Nurses' Continuous Professional Development: Present and Future Birgit Vosseler, FHS St. Gallen
16:30-17:30	Round Table Discussion: Should continuous professional development be mandatory? Should there be a mandatory re-certification? Who sets the rules? Moderation: Joëlle Beeler, Bern Participants: Friedrich Meynen, Raphael Stolz, Birgit Vosseler, Marie Noëlle von Allmen, Ursula Betschart, Thierry Fumeaux BAG-tba, Philippe Eckert, CHUV
17:30-17:45	Closing Remarks Thierry Fumeaux, Nyon Franziska von Arx-Strässler, Zurich

Donnerstag | Jeudi, 19.09.2019

09:30-09:45

Joint

Welcome

Marin Siegemund, Basel | Co-Congress Präsident SGI | Président du congrès SSMI
Nicolas Müller, Zürich | Co-Congress Präsident SGInf | Président du congrès SSInf
Matthias Schlegel, St. Gallen | Präsident SGSH | Président SSHH
Jürg Utzinger, Basel | Präsident SGTP | Président SSMTTP
Cornelia Staehelin, Bern | Präsident SGTRM | Président SSMTV

09:45-11:15

Joint

Hemorrhagic Fever

Chairs: Laurent Kaiser, Genève | Martin Siegemund, Basel

09:45-10:05

Field Response to VHFs: New Challenges and Opportunities

Daniel Bausch, London; UK

10:05-10:15

Case Discussion 1 | Yellow Fever in Zurich

Renato Lenherr, Zürich | Annelise Zinkernagel, Zürich

10:15-10:25

Case Discussion 2 | Andes Hantavirus in Berne

Cornelia Staehelin, Bern

10:25-10:55

VHF Challenges in the ICU Setting

Rob Fowler, Toronto; CA

10:55-11:15

The Challenge of Ebola Infection Control

Didier Pittet, Genève

11:15-11:45

Kaffeepause | Pause café

11:45-12:45

SGI Ärzte | SSMI médecins

Joint Poster Walk

18:00-19:00

SGTP | SSMTP

Generalversammlung | Assemblée générale

13:30-14:30

Satellite Symposium organised by Hamilton Medical

Lung-Protective Ventilation: Why Do We Need an Individualized Approach?

13:30-14:30

Satellite Symposium organised by Pfizer

The Challenge of Combatting Resistant Gram Negative Infections: From Research and Development to the Clinical Application of New Drugs

Chair: Philipp Kohler, St. Gallen

Welcome and Introduction

Philipp Kohler, St. Gallen

The Rise and Spread of Carbapenem-Resistance Enhances the Need of Innovative Antibacterial Drugs: Why Is It so Difficult to Develop and Get Them to the Market?

Jean-Claude Piffaretti, Massagno

Zavicefta® (Ceftazidime-Avibactam): A Novel β -Lactam/ β -Lactamase Inhibitor

Pierluigi Viale, Bologna

Q&A and Closure

13:30-14:30

Satellite Symposium organised by Orion Pharma

Optimizing Treatment Strategies for ICU Patients

13:30-14:30

Unrestricted Grand Session by ViiV and Gilead

HIV Therapy for Women of Childbearing Age

Chairs: Enos Bernasconi, Lugano | Gilles Wandeler, Bern

13:30-14:00

Antiretroviral Treatment for Women in Childbearing Age

Andrew Hill, Liverpool, UK

14:00-14:30

ART and Breastfeeding

Karolin Aebi-Popp, Bern

13:30-14:30

Sponsored Nurse Workshop by Getinge

ECMO / ECLS Therapie: Hands-On Cardiohelp (DE/FR/EN)

Chairs: N.N.

Hands-On Cardiohelp - Praxis und Troubleshooting
N.N.

13:30-14:30

SGI | SSMI

SwissDRG Workshop

Chairs: tbd

14:00-15:00

SGTP | SSMTP

Molecular Biology and Immunology of Parasitic Diseases

Chairs: tbd

14:00-14:40

Referatstitel tbd

Volker Heussler, Bern

14:40-14:50

Abstract

14:50-15:00

Abstract

14:45-16:15

SGI Ärzte | SSMI médecins

Young Investigator' Session
