Farmacisti senza Frontiere – Accesso a trattamenti di qualità per tutti !
Pharmacists without borders – Access to healthcare for all!

Pharmacists without borders (PSF Suisse)

PSF Suisse is looking for a:

Pharmacist for our development cooperation missions in Madagascar and Tanzania

In Madagascar:

To work in the pharmacy of three health structures (dispensaries Aina Vao, Mahasoa and Fanantenana) in the port city of Mahajanga, Madagascar.

In Tanzania:

To work in the pharmacy of Lugala hospital, as well as in Mahenge hospital, in the highlands of Morogoro region.

Concerning both missions:

Candidate's role: pharmaceutical support to strengthen local capacities, local staff training (transfer of pharmaceutical skills). He/she also participates in the daily routine tasks of the supported health centre. Both missions are part of development cooperation.

Duration: As soon as possible for a period of one year

We offer you:

- recognition of humanitarian work for FPH training (6 months);
- a rich human and professional experience;
- the possibility to commit yourself to a humanitarian cause;
- the payment of travel expenses, of basic insurance, accommodation and meals;
- payment of a per diem.

You have:

- a degree in pharmacy with at least two years of professional experience in a pharmacy;
- an interest in development cooperation;
- an interest in pedagogy and training;
- an ability to adapt and work in a team;
- an interest in learning about another culture.

Specific requirements for the mission in Madagascar::

- a good knowledge of French
- the pharmacist will give practical courses to pharmacy students at the University of Antananarivo

Specific requirements for the mission in Tanzania:

- a good knowledge of English (working language) and the willingness to learn Swahili.

For administrative reasons, we can only consider candidates residing in Switzerland.

We look forward to receiving your application (CV and letter of motivation) by email at the following address: info@psf.ch.
